Technology Integration Action Plan

Where Am I Now?	Where Do I Want to Be?

Choose an area (*either* most challenging *or* greatest strength) **to work on.** _____

People Who needs to be involved?	Objectives What instructional purpose will be enhanced?	Strategy Which emerging technology area is the focus?	Technology What tool will be used?	Formative Evaluation What data-for-decision making will be used to measure success?	Results What will I have to show in my ePortfolio or report?	Timeline What are my due dates for milestones?

Discussion on Integration Process	Reflections on Results
